MATH, SCIENCE, BLOCKS & FUN
A BLOCK Fest® Event

Join us for a **FREE** fun-filled, hands-on, all-around good time at our BLOCK Fest® event!

Brought to you by the **NIU Center for P-20 Engagement** and the **Future Educators Club of Sauk Valley Community College**, BLOCK Fest® is a research-based event designed for children age **8 months through 8 years** and their families. Children will have the opportunity to explore five varieties of non-interlocking blocks, while adults interact with their children and learn how they can support block play at home. BLOCK Fest® is **FREE**, but space is limited. We can't wait to see you there.

Register today by calling SVCC at 815 288-5511.
