### Upcoming Social Skills Group

The Autism Program of Easterseals is very pleased to offer three social skills groups. The “Getting Along Social Skills Group” is a 10 week program developed to enhance adaptive social skills in youth with autism spectrum disorder. Groups will be divided into ages 3 – 5, 6 - 9, and 10 – 12. Please call today to request your social skills application and intake package. Groups will be held at the Carlson Ice Arena.

**The Open House will be held on January 17<sup>th</sup>. All packets must be returned to our program by January 13<sup>th</sup>.**

**During the open house, children will have an opportunity to see the group space, meet our clinical team, and other children who may be participating in the group.**

**Our team will interview parents, answer questions, and evaluate each child to make sure the group will be appropriate for each child.**

**A parent group will run while the child is in social skills group.**

**If you would like to enroll your child in the group. Please call or email us today.**
