# Family Nature Day

Saturday, June 23, 2018

9:00 a.m. – 1:00 p.m.

- FREE admission!
- All ages will enjoy exploring the blooming prairies, wetlands, streams and forests found in this 721-acre wildlife refuge owned by Natural Land Institute.
- 12 Learning Stations feature hands-on learning experiences about prairies, forests, butterflies and seeds, wetlands, birds, mammals, pollinators, invaders, archeology, water protection, soil ecology, and raptors.
- Kids earn a *Nygren Wetland Junior Naturalist* badge and certificate if they visit 6 out of 12 learning stations. They will receive a passport with a map, questions to answer and suggested activities.
- Adults earn a prize if they get their map stamped at 6 or more stations.
- Wagon rides
- Guided prairie tours
