Ages 5-12 yrs. (must have completed kindergarten)
Monday-Friday, 6/12-8/4/17
9:00 a.m-1:00 p.m.
\$5.00-registration fee | \$5.00 field trip fee

This summer outdoor program gives children a place to run and play while being supervised in a safe environment. The slide-up segment was added to our traditional playground program based on statistics that children lose educational ground when their minds are idle. Youth leaders will add reading and learning activities in the fun playful environment.

Our supporting partners include The United Way of Rock River Valley, The Village of Machesney Park, The Harlem School District, and The North Suburban Library.
