# PROGRESS REPORT

## Development of the Hononegah Community High School Fieldhouse continues.

N-Trak group continues with the demolition of the former Dome site. They will continue their work until the area has been cleared (see pictures below).

The actual groundbreaking for the Fieldhouse will take place in November after the Board of Education has approved the final construction plans/bids. The actual date will be communicated when it is finalized.

The completion of the Fieldhouse is slated for the start of the 2019-2020 school year.
