

HONONEGAH TENNIS CAMP

How about learning a lifetime activity to kick off the summer? We have hosted over 100 area campers per year over the past 10 years at our camps.

Tennis is a fantastic activity for children as young as even 4 years old! With modified equipment young participants can be rallying in a very short time.

Hononegah High School has built conference and sectional championship teams through this grassroots camp. Camp is extremely affordable with short fun based sessions to introduce our youth to the game. Experienced players are offered a more competitive environment.
