

Introduction To Competitive Swim Clinic

Presented By The Stateline Aquatic Team

Do you enjoy to swim? Do you want to swim on your high school's swim team? Have you ever considered trying out a competitive swim program?

The Stateline Aquatic Team, a USA Swim Team that has members from the Loves Park, Machesney Park, Roscoe, Rockton, Beloit area is offering a new clinic geared specifically to upper grade school / middle school aged kids in our area that are new to the sport and would like to try the sport before they go out for their middle school swim team, or before they get to high school. For those kids that attend Roscoe Middle School, Stephen Mack or Willowbrook, we are working on turning this clinic into a full blown Middle School team that would compete against the Rockford Public Schools and Harlem middle school teams for the 2018 school year.

This clinic is going to consist of 6 one hour sessions on consecutive Saturday mornings beginning on April 22nd. The clinic will be lead by the coaches of the Stateline Aquatic Team. Clinic participants will be taught some of the basic competitive swimming skills that will help the swimmers progress as quickly as possible thereby increasing their enjoy the sport!
