

BURPEE MUSEUM OF NATURAL HISTORY

JOIN BURPEE MUSEUM ON SEPTEMBER 23RD MONARCH RELEASE PARTY

CITIZEN SCIENCE LIFE CYCLE CONSERVATION LEARNING MIGRATION CELEBRATION

Reserve your ticket to a citizen science and learning celebration, tagging and release event. Learn about the migration and preservation of this important species of butterfly.

Calling Citizen Scientists of All Ages!

Get ready to not only learn about Monarch Migration, but tag and monitor it too! Working with Monarch Watch's research program, Burpee will facilitate the tagging and release of many butterflies. Enjoy a chance to get involved in this critical project for the species.

Party attendees will engage in make and take workshops, explore in hands on butterfly stations, observe the great migration take off point, and learn from scientists and environmentalists. Don't miss this butterfly fun for the whole family!

When: September 23rd 10:30am-12:30pm
