**This is how the Holiday Shoppe works:**

- You and your child can determine the people your child buy gifts and the amount of money they have to spend with the envelope provided at the door.
- Your child then gets to either shop on his/her own (if you would like), or one of our PTO elves can help your child.
- Children are then able to wrap the gifts before leaving so they will remain a secret until Christmas morning!

**Please note: CASH & CREDIT CARD ONLY!**

*(There will be an added \$1 fee to all credit card transactions.)*
