CALLING all KIDS! The night has just begun. This is a fun night of volleyball! After the YMCA closes for the evening, volleyball players get to come out and play. We will have fun team building activities along with playing fun volleyball drills and games. This is a great way to meet new friends and hang out with the ones you know while doing what you love! Or if you have never tried volleyball, here is your chance to see what you have been missing. This is four hours of fun in a safe fun environment. Come join us AFTER HOURS!

If you have any questions please contact: Carrie Human at 815.623.5858 or chuman@statelineymca.org
