

Inspire your child's love of art with Young Rembrandts.

Young Rembrandts combines our love of art and children to teach, **empower and build confidence** that goes beyond art. We teach children how to draw, using our unique and proven method, while instilling a love of art and lifelong skills that lead to overall personal success.

Join us and discover The Power of Drawing!

New lessons every week, every session, every year! All materials supplied. Qualified instructors will encourage students in a non-competitive setting. There are no right or wrong answers in art! We honor them for the process, as well as the product. To foster a positive and optimal learning environment, cooperative behavior is expected. Parents are responsible for transportation after class.
