

GROWING UP IN THE DIGITAL AGE

How To Raise Savvy Cyber Kids

BEN HALPERT
SAVVYCYBERKIDS.ORG

Savvy Cyber Kids, a nonprofit organization on a mission to help parents and teachers educate today's youth on cyber safety and ethics, including cyberbullying, digital reputation, technology and screen-time balance, mental health, body and self-image, physical safety, privacy, gaming, and more, starting at 3 years old.

SAVVY CYBER KIDS DIGITAL PARENTING SESSION

📅 **April 24, 2025** ⌚ **6:30-8:00pm** 📍 **Kinnikinnick School Gym**

Students at Kinnikinnick and RMS will participate in a school wide assembly earlier in the day. Parents, come learn and be able to reinforce this information at home for your child's digital safety. Open to all surrounding district parents and educators!

FREE CHILD CARE FOR CHILDREN 5+ AT KINNIKINNICK PROVIDED BY KIDS SPOT!!
